

Local Aid

1 SECTION 3. Notwithstanding any general or special law to the contrary, for the fiscal year
2 ending June 30, 2006 the distribution to cities and towns of the balance of the State Lottery Fund, as paid
3 by the treasurer from the General Fund in accordance with clause (c) of the second paragraph of section 35
4 of chapter 10 of the General Laws, shall be \$761,378,162 and shall be apportioned to the cities and towns
5 in accordance with this section. The amount of any balance in the State Lottery Fund at the end of the
6 fiscal year shall be transferred to the General Fund.

7 Notwithstanding any general or special law to the contrary, the total amounts to be distributed and
8 paid to each city and town from item 0611-5500 of section 2 shall be as set forth in the following lists.
9 The amounts to be distributed from said item 0611-5500 of said section 2 shall be in full satisfaction of the
10 amounts due under section 37 of chapter 21 of the General Laws.

11 Notwithstanding section 2 of chapter 70 of the General Laws or any other general or special law to
12 the contrary, except for section 12B of chapter 76 and section 89 of chapter 71 of the General Laws, for
13 fiscal year 2006 the total amounts to be distributed and paid to each city and town from item 7061-0008 of
14 section 2 shall be as set forth in the following lists. The specified amounts to be distributed from said item
15 7061-0008 of said section 2 shall be in full satisfaction of the amounts due under sections 3, 6 and 7 of
16 chapter 70 of the General Laws, in this section called chapter 70 aid. For fiscal year 2006, in the calculation
17 of the foundation budget for each district, no school district shall have a wage adjustment factor less than
18 one. Minimum required local contributions for fiscal year 2006 shall be calculated as for house bill 1, as
19 submitted by the governor in January of 2005, and shall equal preliminary local contribution in fiscal year
20 2005 increased or decreased by the municipal revenue growth factor. For the purposes of calculating
21 municipal revenue growth factors, general revenue sharing aid for every city and town shall be calculated
22 based on the amount of assistance from the Commonwealth budgeted in house bill 1, as submitted by the
23 governor in January of 2005. For fiscal year 2006, chapter 70 aid shall be the difference between a
24 district's foundation budget and the sum of that district's share of preliminary local contributions of member
25 communities as determined by the department of education. Additional aid shall be added such that every
26 operational district receives an increase over fiscal year 2005, which is at least equal to \$50 per student.
27 Each operating district shall receive at least as much aid as the district received in chapter 70 aid in fiscal
28 year 2004. No district shall receive chapter 70 aid in an amount greater than the district's foundation
29 budget. If there is a conflict between the language of this section and the distribution listed below, the
30 distribution below shall control.

31 The department shall not consider health care costs for retired teachers to be part of net school
32 spending for any district in which such costs were not considered part of net school spending in fiscal year
33 1994.

34 In fiscal years 2006 and thereafter, if the closure of a power plant results in the loss of property tax
35 and, in the fiscal year before its closure, that power plant represented 20 per cent or more of the tax levy on
36 industrial property in any city or town, the department of education shall reduce that city or town's required
37 local contribution to its local school district, as determined by the department in accordance with chapter 70
38 of the General Laws, in the amount of the total commercial, industrial, and real property tax attributable to
39 the closed plant paid to the city or town in the previous fiscal year. For that city or town, the department
40 shall calculate the amount of aid necessary to offset the loss of local spending, and shall increase prior-year
41 chapter 70 aid by that amount when calculating chapter 70 aid due in the following fiscal year.

42 No payments to cities, towns, or counties maintaining an agricultural school pursuant to this
43 section shall be made after November 30 of the fiscal year by the state treasurer until he receives
44 certification from the commissioner of revenue of the commissioner's acceptance of the prior fiscal year's
45 annual financial reports submitted pursuant to section 43 of chapter 44 of the General Laws. The state
46 treasurer shall make advance payments for some or all of periodic local reimbursement or assistance

47 programs to any city, town, regional school district, or independent agricultural and technical school that
 48 demonstrates an emergency cash shortfall, as certified by the commissioner of revenue and approved by the
 49 secretary of administration and finance, pursuant to guidelines established by the secretary.
